

Cookie Use Policy

Last modified: July 11, 2018

Cookies are small files of letters and numbers stored on your browser or device that enable the cookie owner to recognize the device when it visits websites or uses online services. The website you visit may set cookies directly, known as first-party cookies, or may trigger cookies set by other domain names, known as third-party cookies. We request your consent for all cookie uses that are not strictly necessary to provide the services you request or to enable communications.

Types of Cookies We Use

We may use the following types of cookies:

- **Strictly necessary cookies.** Our website requires the use of these cookies to properly operate or provide necessary functions relating to the services you request. They include, for example, cookies enabling you to learn more about our products, enter into any promotions/sweepstakes/contests, order our products, sign up for our mailing lists or request responses to our questions using the “Contact Us” or similar feature on any of our websites.
- **Analytical/performance cookies.** These cookies allow us and our third-party service providers to recognize and count the number of visitors and to see how visitors move around our website when they are using it. This helps us improve how our website works by, for example, ensuring that users can easily find what they need on our website. These cookies generate aggregate statistics that are not associated with an individual account or visitor.
- **Functionality cookies.** These cookies enable helpful but non-essential website functions that improve your website experience. By recognizing you when you return to our website, they may, for example, allow us to personalize our content for you, greet you by name, or remember your preferences (for example, your choice of language or region). These cookies may enable visitor identification across websites operated by J&J Snack Foods Corp. or our affiliates and over time.
- **Advertising, tracking or targeting cookies.** These cookies enable different advertising related functions. They may allow us to record information about your visit to our website, such as pages visited, links followed, and videos viewed so we can make our website and the advertising displayed on it more relevant to your interests. These cookies may enable visitor identification across websites operated by J&J Snack Foods Corp. or our affiliates and over time.
- **Third-party cookies.** Our website may contain helpful but non-essential features or plug-ins enabling third party services that use cookies, such as social network connectors, maps, advertising networks, or web traffic analysis services. These cookies may enable visitor identification across websites and over time. We do not control the third party's

use of those cookies. Please review each party's cookie disclosure before consenting to this use category.

Our Privacy Policy [Link] describes our practices for any personal data that our first-party cookies collect, store, or use.

Cross-Border Data Transfers

The cookies we use may process, store, or transfer personal data in and to a country outside your own, with privacy laws that provide different, possibly lower, protections. You consent to this transfer, storing, or processing when you consent to our cookie use. We are based in the United States of America. Please review the third-party cookie provider's policy to learn more about its location.

Your Cookie Choices

Most web browsers allow you to directly block all cookies, or just third-party cookies, through your browser settings. Using your browser settings to block all cookies, including strictly necessary ones, may interfere with proper site operation.

Changes to Our Cookie Uses

We will post any changes to the way we use cookies on this page. Please check back frequently to see any updates or changes to our cookie use notice.
